

TRANSFORM LIVES THROUGH BUSINESS AS MISSION!

The purpose of EFM BAM is to empower evangelical Friends churches worldwide by providing comprehensive training to equip pastors, evangelists, and church planters with the essential skills needed to develop and implement successful ministry through business. This powerful model not only supports ministry but also opens new doors to reach communities for Christ.

WHY BUSINESS AS MISSION?

BAM isn't just a ministry strategy. It's a way to connect with communities with a lasting, powerful impact:

Everyday Evangelism

Business creates daily opportunities to build relationships and share the Gospel with those who do not know him.

Self-sustaining Ministry

Church planters can support themselves and their families through business, removing the need to raise outside support.

A New Way to Serve

Those with business experience can use their skills on the mission field to build God's kingdom.

THE IMPACT IS REAL!

Several mission fields have already seen the fruit of BAM and are *asking* for more training to help expand the reach of the Gospel through this approach.

HOW CAN YOU GET INVOLVED?

Prayer

I want to commit to praying for this ministry and those being equipped through it.

Service

I would like to serve as a BAM trainer, equipping others around the world on EFM fields.
