

7 Fields, 7 Calls to Prayer

August 2025 Focus: *The Shuar People of Ecuador*

Field Overview

EFM and NWYM are partnering to serve among the Shuar people in the Amazon rainforest—an area rich in natural beauty and spiritual potential. The Shuar have shown deep openness to the gospel and a desire to grow in their understanding of God's Word. This region offers the unique opportunity to engage in incarnational ministry through relationships, discipleship, and everyday life. The ultimate vision is to see healthy, mission-minded Shuar churches led by Shuar believers, reaching others across the Amazon region.

Prayer Requests

- Pray for continued welcome and access to remote Shuar villages.
- Pray for continued spiritual protection as this region has great spiritual need and tremendous spiritual warfare.
- Pray that Jose's visa application will proceed through the proper governmental channels
- Pray for more team members to join Jose and the other Christian workers currently ministering to the Shuar. There is a need for all types of ministry, from discipleship among existing believers to ministry in very remote areas that are totally unreached with the gospel.
- Pray for the 10:2 Prayer Trip happening October 20-31.

We are seeking individuals, couples, and families to live among and serve the Shuar people. Opportunities include Bible teaching, leadership development, women's and children's ministry, house parenting for students, and offering general support to the missionary team. We envision a diverse team committed to living out grace and truth in community while equipping the Shuar to share the Good News with their own people and beyond.
