

7 Fields, 7 Calls to Prayer

October 2025 Focus: Mexico

Field Overview

EFM's ministry in Mexico is focused on church planting and disciple-making in regions where tradition and religious confusion have left many without a clear understanding of the gospel. Families are hungry for spiritual direction for their children, and marriages are in desperate need of restoration through biblical teaching. Through years of exploration and field experience, we've seen the deep spiritual needs and growing openness among communities—especially when outreach starts with young people. The ultimate goal is to see new, healthy churches established that are rooted in truth and led by faithful disciples of Jesus.

Prayer Requests

In the center of Mexico exist a zone identified as the **circle of silence**, this zone includes 8 States: Jalisco, Zacatecas, Aguascalientes, Nayarit, Michoacan, Guanajuato, Queretaro, San Luis Potosi. In the Circle of Silence there are 115 towns with less than 1% of Evangelical Christians. This is the place with the fewest Christians in Latin America!

- EFM together with both Mexico Yearly Meetings have explored and by events that God has allowed to give us confirmation, there are three states chosen to send more missionaries to ignite new fields, these are Jalisco, Durango, and San Luis Potosi. Please pray that God will raise up and send workers to these three states.
- There are many opportunities and ways to develop ministry in these explored places. There are good possibilities through opening businesses, community service, working with children, marriage restoration ministry, among others. Pray that God will change the mind of many people and move their hearts to offer their skills, life experiences, and gifts to serve him and to spread the kingdom of God in these places of great need.
- Pray that more people in these states in central Mexico will be receptive and sensitive to the coming of God's kingdom into their lives, and that there will be transformation of individuals, families, and even entire communities.
